Spa Complex Tsunami (Ukraine, Dnipropetrovsk) is a unique luxury leisure center and beauty complex. It is a whole world of different procedures and programs aimed at promoting health, improving health and appearance, complex combines 4-star design-hotel and modern SPA and Fitness Center. It is located in the heart of the historic part of the city - near the borders of the Island Monastery, near the Dnieper River and the park which was planted in the 18th century by Catherine the Great.

Guests have an excellent opportunity to evaluate the harmony, comfort and functionality of rooms. Visitors have the opportunity to pick their unique and close in terms of spirit and mood design - each of the rooms is unique. Each room has its own style and its own name. Spa-hotel combines a full range of recreation and health improvement: you can relax and rejuvenate as you immerse yourself in the atmosphere enveloping luxury SPA or recharge in fitness and Fitness's aerobic-rooms center without leaving the hotel.

HOTEL

Standard

Total number of rooms Standard – 13

Cozy and functional 1-room apartment of 30 sq.m., room designed in a business or a cheerful and a bit ironic, «fruit» style, room has everything you need for work and leisure.

Suite

The total number of suites – 7

Design and equipment 1 - and 2-bedroom suites area of 30-50 sq.m. create an atmosphere of exceptional comfort. "Fruit" Cherry and Pear suites divided into bedroom area with a king size bed and lounge area with a soft and comfortable sofa, table and chairs. Large closet is in the corridor.

The design of the rooms have business style. Business Suite is intended to reflect the tone, rhythm and pace of life both visitors and residents of the modern metropolis. Fantastic view opens to the Dnieper river from "thematic" Modern suites, Clay and Seabed. High ceilings create a feeling of lightness and space. Furniture perfectly complements the style and characteristics of each of the rooms.

Deluxe

Total number of rooms – 5

By Deluxe are luxurious, perfectly designed split-level rooms - Egypt, Snow, East Cave and Japan - an area of 50-100 square meters. Exclusive design, perfection of detail in conjunction with home comforts make duplex deluxe rooms ideal choice for the most discerning guests.

The first level takes a comfortable lounge area with armchairs, a sofa and a bathroom. The second - a comfortable bedroom with a double bed, dresser, TV, and a bathroom, corresponding exactly to the design. Rooms are equipped with additional oxygen supply
